

WE DO NOT WANT TO MOVE THE BOOKS

Those of you who have been to our library lately have seen all the work going on as we prepare our new wing for opening. We will be almost doubling the size of the library when it is completed. Jan Burkhart and her staff have been busy rearranging shelving and moving books to their new locations. One of the items we will have to move is our storeroom of available repertoires for sale. To this end, the less we have to move, the better it is on our backs. We are offering to our membership, our first ever repertoire sale. All available repertoires on the attached list are marked down 25% from their original price. Here is an opportunity for you to complete your libraries at a substantial savings. Quantities are very limited, so please order quickly. In addition to the lower prices, you can deduct another 5% from the total if it is \$100 or more. This translates to a total of 30% off our regular prices.

All you need do is check off the publication(s) requested and send the list along with the form below to us, and we will get your books out to you ASAP. Please hurry because this offer ends on April 1, 2015.
